

# Poster Location Guide

To ensure equal opportunity for all candidates, SGA has established regulations for campaign publicity. All candidates must familiarize themselves with the policies contained in the SGA Policy Manual, viewable at <http://www.oleville.com/election.php>

Failure to follow election guidelines may result in penalties up to and including disqualification, at the discretion of the Election Commission. So please ask if you need clarification, and we won't need to go there.

The following actions are prohibited:

- Removing, obstructing, or vandalizing another candidate's publicity
- Posting in unauthorized locations
